As part of Frederick's downtown for 275 years, All Saints' Episcopal Church thrives as a vibrant, welcoming and diverse house of worship as well as a facility that has become an epicenter of the Frederick community. With more than 50 events every month hosted by outside groups such as Rotarians, recovering addicts, musicians and chefs, the halls of All Saints' are always filled with a lively snapshot of Frederick County.

The proceeds from this event will be used for the **structural repairs and improvements at All Saints'**. In addition, a portion will be donated to the **Habitat for Humanity Women Build** program, which empowers women to take action against poverty housing conditions.
